Dear Ms. Sagri,

This letter is to supplement the amendments send via electronic filing on April 14, 2003. The amendments refer to the 9th District Democratic Committee #C00158022. The changes made are listed below under the corresponding reporting period.

7/18/02-9/30/02

Ballot Method -- we have changed the ballot method on schedule H1 to reflect the appropriate composition and allocation.

To clarify advertisement -- we place ads in various community booklets. These are non-profit entities and the advertisements are not candidate related. An example would be something like "the Ninth District Democratic Committee Commends the Jewish Federation on their 10th Anniversary." I have amended the report to describe the disbursement as non-candidate advertisement.

Field Consultant- To clarify "field consultant" we have amended the report to show that these disbursements were govt staff which were not candidate specific. Rather they were hired to increase voter registration.

10/1/02-10/16/02

Ballot Method -- we have changed the ballot method on schedule H1 to reflect the appropriate composition and allocation.

Field Consultant -- To clarify "field consultant" we have amended the report to show that these disbursements were GOTV staff which were non candidate specific. Rather they were hired to increase voter turnout.

10/17/02-11/25/02

Ballot Method – we have changed the ballot method on schedule H1 to reflect the appropriate composition and allocation.

GOTV/Field Consultant – To clarify “field consultant” we have amended the report to show that these disbursements were GOTV staff which were non candidate specific. Rather they were hired to increase voter turnout.

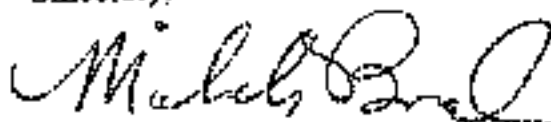

Non-Federal Activity – The consumers energy entry on 10/31/02 was mistakenly reported as a non-federal activity. This was a split expense and has been changed to reflect that.

11/26/02-12/31/02

Ballot Method – we have changed the ballot method on schedule H1 to reflect the appropriate composition and allocation.

Please feel free to contact me at 586-786-1975 if you have further questions.
